Mr. R. H. Beeder:

In connection with the contract between  
Haystack Mountain Development Co. and Henri E. Dole  
dated 4/19/1960, Secy's. No. HMD-27.

The Ore produced by Mr. Dole during the  
month of August 1961 from Section 19, T.13 N, R.10 W.  
was 1285.29 lbs of uranium oxide having a value of  
\$3.50 per lb or \$4498.52, plus a premium in excess of  
4 lbs per ton \$129.37, leaving a total of \$4627.89.

We are obliged by contract to pay 70%  
of this amount or \$3239.52 to Mr. Henri E. Dole P.O.  
Box 3, Prewitt, New Mexico.

The total settlement for the Ore produced  
by Mr. Dole amounted to \$5570.83 which of course includes  
all of the development and haulage allowances.

Very Truly Yours,

  
L.G. Fuller
